

# EARNING WITH LEARNING

## To Empower the youth

We have taken as unique initiative to empower the youth by providing them a platform to earn while they are learning at anywhere. It will help them to meet out monthly expenses of the students during their studies.

### *Refer & Earn*

Register as student for course of your interest

Pay your course fee

Share ITLS Academy course with your referral link on any social media platform, Get Leads in your account to earn

Students registered with your referral link & pay the fee, then your earning will display in your account

Students registered with your referral link & pay the fee, then your earning will display in your account

You have to send the students detail registered in your account on monthly basis; your 20% earning will be credited in your account from 21 to 25 day of each month in your bank account.
